Software Developer

Cover Letter

Dear Hiring Manager,

I am excited to apply for the Software Developer position. With extensive experience in full-stack development, a strong focus on front-end technologies, and a passion for accessibility and modern tooling, I have successfully led projects from concept to production. My work at Organization A and Organization B demonstrates my ability to modernize codebases, implement shared UI libraries, and improve developer workflows. I am adept at collaborating with cross-functional teams, introducing code quality tools, and supporting remote onboarding. My technical expertise spans React, Next.js, TypeScript, Node.js, AWS, and CI/CD pipelines, complemented by a commitment to building accessible and user-friendly applications. I am eager to bring my skills and enthusiasm to your team and contribute to impactful projects.

Sincerely,
